(all applications will be treated with strictest confidence)

Where buyers search and buy property EASY

Every month, thousands of prospective buyers are starting their search at www.ownersbest.com.mt Visitors are finding our website very friendly to find the property they want to.

The number of buyers visiting our website is increasing from month to month.

Besides our heavy advertising that we do, we know that many of these prospective buyers are coming on our website because they have been recommended by their friends who also bought direct from Owners Best.

The increasing number of buyers are finding the search and eventually purchasing the property easy because:

- ▶ Properties have a map showing the streets where they are located. Buyers searching for property on our website will know exactly where the property is and they won't bother the home owners if they don't like the street where the property is located.
- ▶ Properties have photos and buyers will know what to expect before they visit the property.
- ▶ Properties have a professionally drawn plan by architect, showing all measurements in feet and in

metres together with the floor area. By seeing the plan of the property, buyers know exactly what every wall of the property measures and what layout the property has.

- ▶ Buyers can receive SMS-alerts for FREE every time a property matches their search requirements.
- ▶ Buyers can know what the monthly repayment for their property will be by using the Loan Calculator available on our website.
- ▶ Buyers can view the latest price reduced properties and even be alerted with such reductions.
- ▶ The most important thing is that properties are advertised with the owner direct telephone number. Buyers will contact the owner direct and make a safe and transparent deal without any pressure from third parties that are only interested to earn the commission on the deal.
- ▶ Besides the website, our buyers can search for property in this monthly magazine which is distributed FREE of charge to 150,000 households in Malta.
- ▶ We also feature properties in our daily TV program on Smash TV between 6.40pm and 7.00pm

If you have a property to sell and want to have all the benefits mentioned above, please call on **2149 2299** or **7949 2299** and our experienced representatives will be glad to help you sell.
